A+P is working in all branches of insurance together with the above mentioned companies, depending the type of insurance needed by the client. A+P is paid by the insurance companies at the customary market fees. The client accepts that Arbenz + Partners Ltd are entitled to such fees for their services rendered.

A+P is working on behalf of their clients according to the services agreed upon in the brokerage mandate. A+P is liable for mistakes, neglect or incorrect information given by the mandate holder in relationship with the activities of negotiation.

Personal data are collected only by the mandate holder as long as such data are needed in relation with the services agreed upon in the brokerage mandate. A+P is obliged to undertake all necessary action in order to assure the legal requirements which are authoritative for data protection. All data are strictly handled confidentially. As a rule, personal data are stored electronically and/or in hard copy. At the same time, all information received from the client is made available to third parties only with the client's expressive consent.
